

About Olds *Small town but close to larger centres, great community for raising families, local college, growing community*

About Collegiate *Great relationships with doctors for referrals, relationships with many local sports teams and organizations, including Olds College Broncos Athletics and Olds Grizzlys Junior hockey team, great friendships, mentorship possibilities, grow as a therapist and leader, growth opportunities as an entrepreneur, collaboration in a group of clinics (3 in total- 2 in Red Deer)*

Job Description:

- Athletic Therapist for Olds College
- Clinical assessment and treatment of injuries for private patients and college athletes

Athletic Therapist details:

- Clinical assessment and treatment for college athletes
- Field coverage (game and/or practice coverage if possible)
- Concussion baseline testing
- Communication with coaches/college staff on injuries and RTP status
- ACAC liaison to medical committee
- Scheduling therapists for event coverage
- Supply inventory and ordering and restocking medical kits
- Develop/implement EAP

We offer you:

- Clinical Mentorship
- Compensation ranges depending on experience
- Full administrative support. We manage all reception, appointments, invoicing, billing, laundry, etc for you
- Stocked sports medicine shop on site for your clients needs
- Private Assessment Room, if needed
- Health benefits (if interested)
- Annual Professional Education allowance (if interested)
- Career advancement or Entrepreneurship options available

We believe in Quality Treatments over Quantity of Patients!

We book only 1 on 1 appointments in our clinic and book 30 minute slots for treatments and 60 minute slots for assessments.

Contact us if you have the same CORE VALUES:

- *Relationships*
- *Integrity*
- *Education*

College start date- early/mid August 2023, Private patient clinical hours can start anytime before that, depending on availability of applicant.
