2023

ATHLETIC THERAPISTS NEEDED

Please join our Crew at the 2023 Richardson Wealth Kidney March.

Marchers walk 100KM over three days, from Kananaskis to Calgary, raising the most they can possibly raise in the fight against kidney disease and for organ donation. Over the last 13 years Kidney March has raised over \$12 million to improve the lives of those affected by kidney disease and support life-changing research.

The event goes above and beyond to ensure Marchers have the best care during this challenge. The Kidney March Crew includes medical professionals, massage therapists, acupuncturists, chiropractors, and yoga instructors, supporting marchers on the route and at the camp.

Kidney March 2023 is seeking Athletic Therapists volunteers to assist the Marchers on and off the route with any type of muscle, bone or joint injury they might incur. Your involvement would be greatly appreciated and have a tremendous impact on participants well being.

Kidney March is an unforgettable experience and an opportunity to meet some of the most inspiring people on the planet. We hope you join us.

WHEN:

September 8th - 10th, 2023
